# In beautiful harmony with your skin's nature

## 完美輕·淨·肌

Our aim is a finish that's beautifully seamless, a foundation that feels like part of your very own skin. With its barely-there-look and smooth touch light as air, it makes skin fresh and radiant. SUQQU's new Liquid Foundation has evolved to a new level of excellence with its almost undetectable presence.

底妆，追求原生肌般的美丽，轻透、丝滑、水润，成就极致裸妆感，全新进化的SUQQU粉底液，重新定义「素肌感」的上质底妆。
